

Our House - Seymour's Adventure Trail

What follows are a series of clues that will lead you to different areas in your home where carbon monoxide could be found. Take Seymour with you as you work out the clues, find the locations and discover how we can make ourselves safe. (Answers can be found on the reverse side, along with helpful tips on making our homes safer places.)

Are you ready for an adventure? Great!
Get your thinking caps on.

Clues

1. Sometimes I have a hood and smell extremely good but don't ever go inside, unless you want to be fried!!.
2. If your folks are organised, they park their car in here but otherwise it's full of junk and not one inch is clear.
3. In the deep of winter, I'll warm your toes Until the night Father Christmas shows.
4. I live outdoors, give off smoke when I'm hot but I make yummy food that you'll like a lot.
5. Switch me on, I'll warm your homes On rainy days, I dry your clothes

Seymour's Adventure Trail is aimed at helping us to think about where carbon monoxide could be found within the home and to understand how it's made.
